## **Join us at the largest educational event in the self insurance industry in the world!**

The PRN Family of Companies is proud to support SIIA and their efforts on behalf of the self insured industry. The national conference, this year at the fabulous JW Marriott Desert Ridge Resort in Phoenix, is the place to get together with all the leaders in the industry for top notch education, networking and a great time. This year we are sponsoring two not to be missed events.

1. Join us Monday night from 8-11 PM on our own island (just outside the main lobby. Follow the signs by the lobby pool.) for desert and drinks. We will also have two renown caricature artists to draw your picture as a souvenir of the event. Meet the President and team poolside and learn how we can save, on average 84% (in our largest program) on your dialysis claims while sipping a desert cocktail in the moon light.
2. Visit us at **BOOTH 400** where the WII longest drive (virtual golf) action can get you and your company on the leader board. Longest drive for Men and Ladies wins you a Men's Taylor Made r7 driver or Ladies Sasquatch driver. The team will be there to provide information on all our services and to assure a fun experience at SIIA.

**See You at SIIA**
